

THEMATIC ALLIANCES IN NALED

The Alliances act as program platforms bringing together NALED members with the aim of improving regulations and business environment in various fields of work.

Alliance is in charge of formulating NALED policies in selected regulatory fields, defining the priorities and concrete initiatives towards the Government and Parliament.

Alliance is recognized by its members, who put their expert capacities, resources and reputation in the function of achieving common goals while respecting the general interests of society.

Operational and expert support to the work of Alliances is provided by NALED Executive Office.
